## College Day Approval Form

High school students may take three (3) college visitation days during their junior year and three (3) during their senior year. The student named below will be using a college day on the date indicated. **The student is required to notify each of his/her teachers prior to this date and is responsible for any make up work or missed assignments.**

1.	_____	_____
	Student Name/ Grade	College to be visited
2.	_____	_____
	Parent Signature	Date of Campus Visit
3.	_____	_____
	TCA Secondary Principal	Date of Approval
4.	_____ / _____	
	College Representative / Signature, Title	

Lines 1 and 2 should be completed prior to turning in for approval by the Secondary Principal. Students must receive administrative approval no less than one week prior to the date of college visit. It is the student's responsibility to get any assignments that will be missed during the visit. It is also the student's responsibility to have this form signed by a college representative and return the completed form to the secondary office on the first day back to school following the college day. If this form is not returned the following day with a college representative signature, an absence will be recorded; otherwise college days do not count as an absence.

College days will not be approved for dates during the final three weeks of either the fall or spring semesters.

**Please remember that college days are a privilege and should be used solely for the purpose of visiting colleges that a student has a genuine interest in attending. If the visit is to an area college, or if the visit will only take a short while, students should plan to attend school as usual for as much of the school day as possible. In other words, please do not miss an entire day to visit a school in Fort Worth or Weatherford unless you have a full schedule of events, meetings, observations, etc. planned at that campus!**

**A list of things to investigate during your visit appears on the back of this sheet!**
