

Purpose

T-Care is a partnership between Trinity Christian Academy and Parker County Hospital District Outreach Program, to provide medical care onsite at each campus. Through the use of telemedicine and the Medpod Medical Cart, the healthcare needs of staff and students can be met in a convenient setting with each campus nurse. T-Care's purpose is to increase the educational success of students and staff by assuring access to healthcare. Early treatment can decrease the need for expensive medical care and unnecessary Emergency Room visits.

How to enroll in T-Care?

Fill out the T-Care Consent and either email it back to: tcare@pchdtx.org or turn it in at the elementary campus T-Care lock box.
